

Profile

Hello Kana,

First of all I would like to introduce myself, my name is Yopie Fajar Listiyan-to, I'm a javanese male and live in jakarta. I love all things related to creativity and art, and make it as a profession for living. I learn everything visually, means by the rank of competence, visual is the most highest.

Recently I'm working independent as a freelance illustrator and graphic designer for several advertising agencies. Providing illustration for storyboard or single illustration.

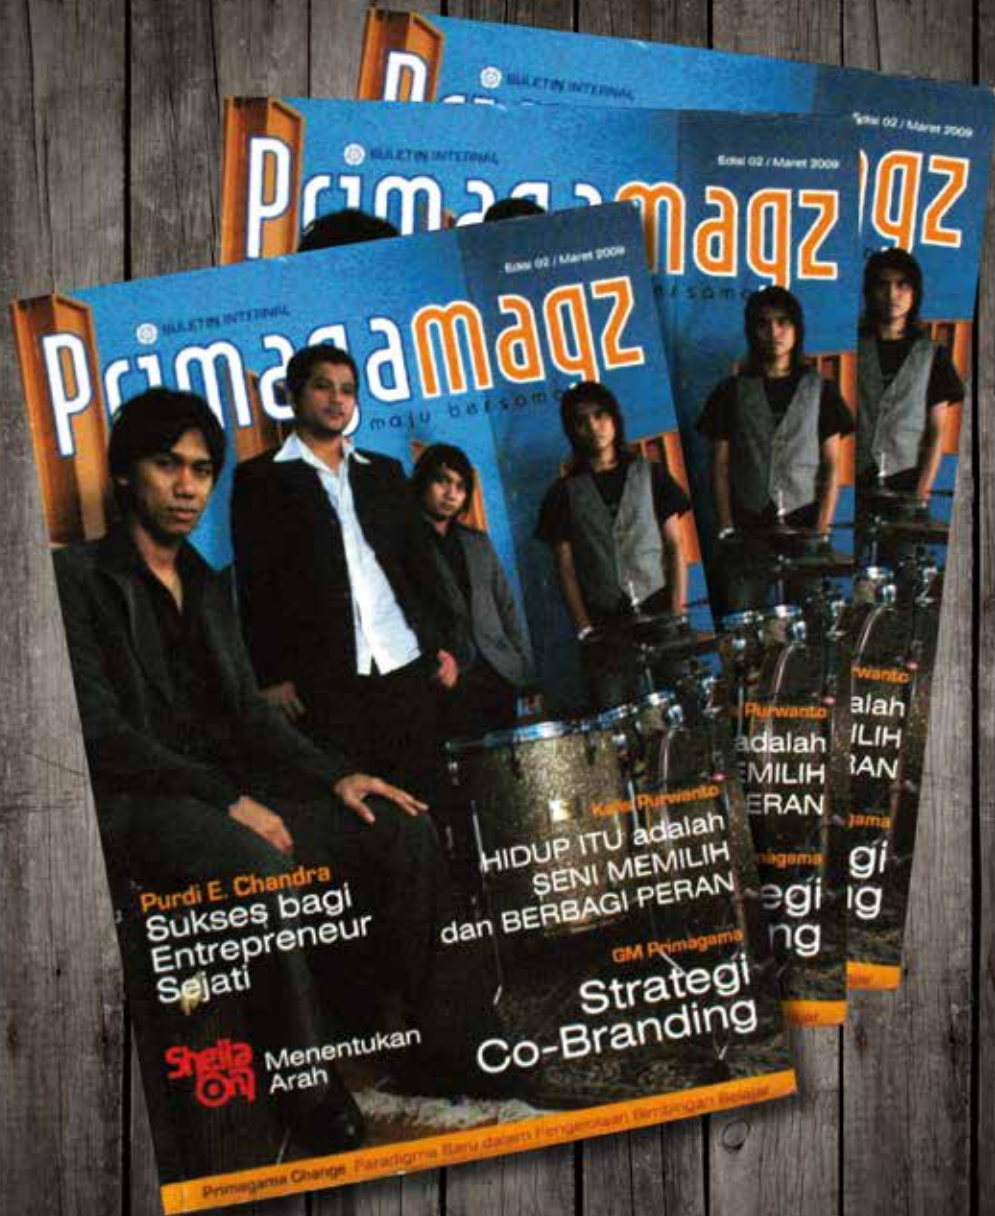

I miss the atmosphere of a teamwork so I'm interested to join and kindly like to apply as senior graphic design. Here's my resume, curriculum vitae and artworks for your consideration, hope I can meet and match requirements. Thanks for the opportunity and time, hardly can't wait for your feedback.

Regards,

Yopie Fajar
