**At work .....****Januari 2015****-Present :****CSR Indonesia Magazine**

This was the first placement of my career, duties included interview resources and writing some articles. This position called upon many skills I had learned as part of my degree and tested my ability to put them into practice in a 'real world' situation.

**Aug-Sept 2012: Ministry of Foreign Affairs, Republic of Indonesia**

I was a temporary staff in there where it was my job to sending email for NGO, Country partnership, making some papers and attended several meetings with member states of ASEAN. I feel this position greatly enhanced my knowdge that i have.

This is to state that above information is true and provided here by me, all in good faith.

Sincerely yours,

Stevany Mezy.
