

My name is

RIAN ANDIRA PUTRA

I let myself skilled in theory of communication, advertising, marketing
and creative execution on a college

I turning an Idea into a words

I'm a person with imaginary mind and a deep thinker

I'm enjoy my solitude moment to imagining things, it will stimulate my creative idea

I always eager to learn something new, and curious to know more

I'd like being around of people who has strong objective and clear vision

So, I could developing myself

My passion is to work at creative industry and make a fine works
