

PREFACE

Resqi Utomo was born in 1992, in Jakarta, Indonesia. He is a 7th grade Visual Communication Design student at Universitas Indraprasta PGRI.

When he think he is not good enough to tell something, or to communicate with others by his mouth, he tried to communicate by his mind. Armed with mind, he tried to convert the idea into illustration, design, installation, sounds, video, and whatever is it. It helped him to communicate with others, hope it can help the others too. To understand life by his works.

A EUROPEAN CROSSOVER UNIQUELY PEUGEOT

Lebih dari sekadar sebuah hatchback, kelegian MPV dan kediraiman SUV, nama besar Peugeot sukses membedakan 3008 dari crossover lain. Inilah European Crossover dengan desainnya yang stylish dan khasnya plus standar keamanan dan kenyamanan Peugeot yang melengkapinya. Mesin turbo 3000 cc terbaru ini baru memiliki performa sekuat dia sebelumnya. Torque bertambah dan power-to-weight ratio yang optimal menjadikan 3008 gesit bermanuver.
