EXPERIENCE

Project Manager

2015 - Now

Infomedia Nusantara

Leading a team of agents, quality assurance, and content managers to maintain twelve social media accounts owned by a major telcommunication company in Indonesia. Analyzing feedbacks and making strategies based on the analysis, also executing and reviewing the plans to make continuous improvement.

Project Manager

2014 - 2015

NoLimit Indonesia

Leading analysts and validators to deliver reports and high quality data for clients, communicating with clients to make sure that clients' needs are all met, and coordinating with other divisions to ensure that everything works according the plan. Had handled more than 15 different projects and delivered more than 200 social media monitoring reports in 2014.

Social Media Analyst

2013 - 2014

NoLimit Indonesia

Analyzing conversations in social media and delivering reports about it to clients. Handled reporting for various clients including major telecommunication providers, banks, politicians, organizations, and brands.
