“Being passionate in journalism turn me into a creative writer.”

Media Experiences

BUMI NAWA DIGITAL MEDIA - VALUES MAGAZINE

Journalist - Copywriter

Basically, I am a writer here. Being a journalist is my main duty, otherwise I also do copywriting, content writing, translating, and even scriptwriting. As a journalist, I am responsible to manage a project namely Values Magazine, a digital magazine covering governance and risk management issues, particularly in economic sector, and organize the editorial team.

FORTUNE INDONESIA MAGAZINE

Contributor

Proceeding my work on this magazine from the internship program, I become freelance translator thereafter. I mostly translate Fortune U.S's features (English to Indonesia).

FORTUNE INDONESIA MAGAZINE

Reporter (Internship program)

Related to my field of study, my responsibility is focused on translating the magazine's features—English to Indonesian and vice versa. However, as well as the common duties of reporters, I also do reporting, interviewing, transcribing, and writing for the features—in which all of them are begun with research.
