

Hi there, :)

This is my portfolio box,
inside the box there are 8 cards that
contained my portfolio and cv.
If you open it, klik ctrl+1 for view with actual size.
hope you enjoy.

thank you

EDITORIAL DESIGN.

*This book I made for my portfolio. With this book
I'm showing some of my works that I've been enjoy
dooing it.*

PHOTOGRAPHY.

*I feel photography is my soul. I made a concept, till
I undertake a journey and capture every moment
that I saw is an immeasurable pleasure.*

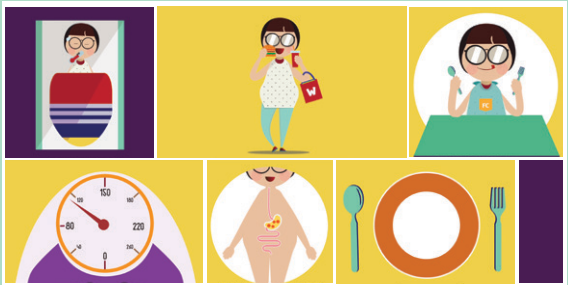

PHOTOGRAPHY.

*I feel photography is my soul. I made a concept, till
I undertake a journey and capture every moment
that I saw is an immeasurable pleasure.*

MOTION GRAPHIC.

My Final Project and Thesis that talk about food combining, that why I choose food combining as a theme is because in this modern era, there are many non-contagious disease caused by unhealthy dietary habit and lifestyle.

PACKAGING.

Peanut fritters are snacks made from beans, homemade products derived from singapore.

LAYOUT.

Layout for fashion and lifestyle magazine.

IIIUSTRATION.

I really like fashion, making sketches of clothes with my own imagination.

COMMERCIAL.

Ads and campaigns of L'Oreal Men's products under the title Break The L'Oreal Men Expert Routines. In this project I worked as assistant wardrobe artist.
