## **Work Experience**

### **PT. CHANGYOU TECHNOLOGY INDONESIA**

#### *Content Editor*

March 2014 – present

Maintaining and managing a digital media store for Android phone. The goal is providing service for users to browse and download applications as well as games, ringtone, wallpaper and videos.

### **VELVET MULTIMEDIA ADVERTISING**

#### *Assistant Producer*

September 2013 – February 2014

Organize and control advertising shooting preparation before its production. Help the producer during production process and evaluate the process with the team after the production.

## *Internship*

PT. Media Televisi Indonesia, METRO TV

December 2012 – April 2013

I had some task when I was internship at WIDE SHOT, Metro TV, such as:

- As a staff, I organize the preparation before production, for example preparing the scripts and run down for the news anchor. During ongoing production, I monitored the production from the beginning until the end of program. Overall, I assist the producer's job in WIDE SHOT program.
- I do reportage as a citizen journalism during internship. Survey location, interview the resources, discuss with the camera person about the video, and monitoring the video editor to make the news package fits with the news reporting standard.
