Interests

I am an energetic person and I do like sport

I do swimming two times a month and aerobic three times a week

For me Sport and Physical Activity are as part of a healthy lifestyle

References

I am 23 year old female and graduated on August from University of Indonesia and I have studied in Germany Department, having skill in English, German, and Dutch (spoken and written), and also operating computer. I am a hard worker, able to work in individual and in team.
