

## Nindya Arhadita

arha.dita@yahoo.com  
skype id : arha.dita

### Objective

I graduated from Cologne Business School as a Bachelor of Arts from a double degree program with Bina Nusantara International University.

Previously worked as an Intern for various places and freelance online writer. The field of work are most likely Media (free magazine & online news platform). I achieve the privilege to work as an Intern (marketing & merchandising) for 6 months for a Startup company in Germany (SugarTrends).

Straightforwardly, I always do my best to challenge myself, as I believe to be constantly playing within the comfort zone won't take me anywhere.

I believe I still need and willing to learn and have more experience. I believe I will work hard and achieve more knowledge with your company.
