7. About Me

I'm a high integrity person who passionate in branding&marketing communication agency field. I always commit to give a positive contribution to company wherever I'm working for. I believe that how much contribution will be delivered by someone to a company depend from someone's passion in a particular field, willingness to learn, good communication in a team and willingness to help each other either in a spesific working unit or through several working unit in a company's structure. So I always trying to implement such aspects mentioned above in the way I work.
